INFORMATION FOR NEW PATIENTS REGISTERING WITH THE PRACTICE

You will be asked to complete :

A Registration Form (NHS)

A New Patient Details & Health Form (Practice)

A Sharing Records Form
(NHS Gloucestershire)

OUTSTANDING ★

REGISTRATION

Mythe Medical Practice is pleased to welcome new patients wishing to register.

To complete your registration with the practice pop in and see us with details of your name, date of birth and address. A document with these details is always helpful so that we can ensure they are accurately added to our system. There are a few forms to fill in which will give us some information to assist with your care whilst we are waiting for your medical records to arrive. If you are unable to attend in person please complete the necessary forms and send by post - for added convenience you can also access and fill in these forms in advance by clicking on the "Registering Online" tab on our website.

You will be allocated a "usual GP" but will be free to request an appointment with the doctor of your choice.

So pop along and get registered with us now

Mythe Medical Practice Reception is located **upstairs** at The Devereux Centre immediately opposite Tewkesbury Hospital.

ONLINE SERVICES

Not everyone can access their GP surgery during its normal opening hours but you can now engage in more online facilities to :

- view, book and cancel appointments
- view and request medication
- view coded medical records

Pick up a leaflet from Reception or Online to give you details on how to gain access.

We are very pleased to announce that following our recent CQC Inspection we have been given the overall rating of:

Overall rating for this service	Outstanding	★
Are services safe?	Good	●
Are services effective?	Outstanding	★
Are services caring?	Good	●
Are services responsive to people's needs?	Outstanding	★
Are services well-led?	Outstanding	★

OUR PRACTICE BOUNDARY

**WE ARE LOCATED UPSTAIRS ON THE
FIRST FLOOR
AT THE DEVEREUX CENTRE
(opposite Tewkesbury Hospital)**

Mythe Medical Practice is the product of the merger on 1st April 2015 of Watledge Surgery and Jesmond House Practice previously based in Barton Road and Chance Street respectively.

Doctors Hutchison and Fearn have been key members of the NewDocs team in bringing The Devereux Centre to fruition.

We were delighted to receive an “Outstanding” rating following our recent Inspection by the Care Quality Commission (CQC).

We are an approved training practice for GP trainees, medical students and allied health professionals (e.g. paramedics) and have recently been quality approved as ‘Excellent’ for being both an effective educational environment and safe supportive working environment.

We are a RCGP ‘research ready’ practice and an active member of the NIHR Clinical Research network.

We are active members of the Tewkesbury, Newent and Staunton (TNS) Practice Based Commissioning Locality Group.

We are contracted by the NHS to provide quality services under the General Medical Services Contract. We also provide a range of services outside the NHS such as travel vaccinations, private medicals and completion of various forms for insurance purposes etc. for which a private fee is chargeable.

SURGERY OPENING TIMES

The practice premises are open during the following hours to enable you to make appointments, order and pick up prescriptions :

Mondays to Fridays : 08.00 a.m. – 6.30 p.m.

CAR PARKING

There is patient parking available at The Devereux Centre for disabled patients and a ‘drop-off’ point outside the front door. All other parking is allocated to the Doctors and Staff of Mythe Medical Practice and Church Street Medical. There is a pay and display car park at Rails Meadow (on Howells Road) just behind The Devereux Centre.
